Access Key Net

Access Controller

**Convert your doors into Internet appliances!**
Accessible anywhere on earth

Benefit from our state-of-the-art technology
Plus the flexibility of secure Internet connectivity

Features:
- ✔ Low purchase cost - Free management software
- ✔ Easy to install – Easy to configure
- ✔ Quick response time – Over 750,000 26 bit users
- ✔ Free upgrades to FIPS-201 – 200 bit requirements
- ✔ Be ready for the future – Easy firmware upgrades
- ✔ Stand-alone multi-tasking operation
- ✔ Built-in schedules - groups - tasks
- ✔ Automatic event logging
- ✔ Personalizable – integrable – SDK available
- ✔ Powerful 10 Amp NO and NC output contacts

Technical Specifications	
Model	BW1PRT
Product name	Access Key Net
Power supply	12 Vdc / 30 mA(Relay Off) / 72 mA (Relay On)
Temperature range	-20 ℃ to +40 ℃
Physical dimension (approx.)	210mm (8") x 260mm (10") x 80mm (3").
Reader Port	Single 5 wire Weigand terminal block
Relay Port	5A, 24 volts, dry contact output, NC & NO
Communications	Ethernet RJ45
Visual indicator	Red/Green/Yellow status led Red cable protection status led Red & Yellow link status and activity leds
